**Subject: Letter of Invitation for the Market Survey on “Remote Handling (RH) Telemanipulator Framework Contract”**

Dear Madam/Sir,

The ITER Organization (IO) launches a Market Survey and requests information to companies having the interest, knowledge and capacity to carry out the work below:

**- REMOTE HANDLING (RH) TELEMANIPULATOR FRAMEWORK CONTRACT**

Please note that **this is not a Call for Nomination request**. At this moment the IO is preparing a procurement strategy for this project. **The purpose of this questionnaire is not to assess and evaluate the capacity of your company and organization**. Therefore, we appreciate it very much if you will provide open and frank feedback, which will be very helpful for the IO to better understand the real situation of the industry.

You will find enclosed a questionnaire (Annex I) and a technical summary (Annex II), and please return a completed questionnaire (Annex I) to the following email address [Takakazu.Kimura@iter.org](mailto:Takakazu.Kimura@iter.org) with copy to [David.Hamilton@iter.org](mailto:David.Hamilton@iter.org) **no later than 28 Oct 2022**.

Thanks in advance for your participations and co-operation.

Yours faithfully,

Daphné Crowther  
Section Leader  
Engineering, Science, Operation and Corporate Section
