

To: Potential Candidates

Date: 21 December 2023

Ref: IO/MS/23/AJI

Subject: Letter of Invitation for the Manufacturing of diagnostic generic Port Plug structures (Upper and Equatorial)

Dear Madam/Sir,

The ITER Organization (IO) has launched a Market Survey/Request for Information (RFI) and requests information from companies having the interest, knowledge and capacity related to: **Manufacturing of diagnostic generic Port Plug structures (Upper and Equatorial)**.

The main purpose of this RFI is to evaluate the market situation and to identify candidate suppliers having the potential capabilities to respond to the IO solicitation process that will follow.

china

Please note that this is not a Call for Nomination.

eu

You will find enclosed the Technical Description related to this Market Survey/RFI (Annex I) and relevant drawings (Annex II).

india

japan

With this letter, we invite all potential companies, institutions or entities from ITER Member States to participate to this Market Survey/RFI through the questionnaire (Annex III).

korea

russia

We kindly invite the Domestic Agencies to publish this Market Survey/RFI on their websites or through other advertising methods, which will help to retrieve the requested information from a maximum of potential candidates.

usa

Please return a completed questionnaire, **no later than 22th January 2024**, to the following email address **amankumar.joshi@iter.org, and Emilie.Blanchet@iter.org**.
