Subject: Schedule Change for the Market Survey on “Cryostat Thermal Shield Repair / Remanufacture” and Answer to the Clarifications No.1

Dear Madam/Sir,

We are pleased to inform you of the revised schedule for the captioned Market Survey. This change aims to include a clarification process in the survey. The deadline for submission of questionnaire and cost estimation is extended accordingly.

The following is the revised schedule:

Date	Schedule	Remarks
12 July 2024	Schedule Change Announcement Answer to Clarification No.2	(This letter)
17 July 2024	Deadline for submission of Clarification	by e-mail to yuki.suyama@iter.org with cc to antoine.calmes@iter.org
22 July 2024	Answer to Clarification No.2 (if any)	to be announced on IO website https://www.iter.org/proc/ms
31 July 2024	Revised deadline for submission of questionnaire and cost estimation	by e-mail to yuki.suyama@iter.org with cc to antoine.calmes@iter.org

Please note the following points when submitting clarifications:

- Clearly indicate the document name, page number, and article number (if applicable) corresponding to each clarification.
- Clarifications and answers will be published on our procurement website (without identifying the company who made clarifications).
- If you are providing classified information, please explicitly mention the classification level and separate it from other clarifications.
- Due to the survey’s limited timeline, we may not be able to address all clarifications.

In addition, we are pleased to provide our answers to the clarifications that we have received so far as attached herewith.

Thanks in advance for your participation and co-operation.

Yours faithfully,

Antoine CALMES
