Subject: **Market Survey for the Welding Preparation in Pit (WPP) Works**

Dear Madam/Sir,

The ITER Organization (IO) launches a Market Survey and requests information from companies having the interest, knowledge and capacity related to: **Welding Preparation in Pit (WPP) Works**.

The main purpose of this Market Survey is to evaluate the market situation and to identify candidate suppliers having the potential capabilities to respond to the IO solicitation.

Please note that this is not a Call for Nomination.

You will find enclosed to this Market Survey (**Annex I**) the Technical Summary for Welding Preparation in Pit Works (ITER\_D\_CCKJRE\_V1.3). To facilitate the understanding of the Technical Summary, a 3D model is available in 3DXML format only. This 3D model represents a single Sector Module in the Tokamak Pit, with all the relevant components and environment for the WPP Works. This 3D model can be found at [HERE](#) and is protected by password that you are invited to request by email to [Guillaume.Retailaud@iter.org](mailto:Guillaume.Retailaud@iter.org).

With this letter, we invite all potential companies, institutions or entities from ITER Member States to participate to this Market Survey through the questionnaire (**Annex II**).

We kindly invite the Domestic Agencies to publish this Market Survey on their websites or through other advertising methods, which will help to retrieve the requested information from a maximum of potential candidates.

Please return a completed questionnaire, **no later than 15 January 2025**, to the following email address [guillaume.retailaud@iter.org](mailto:guillaume.retailaud@iter.org), copy to [antoine.calmes@iter.org](mailto:antoine.calmes@iter.org)

Yours sincerely,
