Letter of invitation. Market Survey No IO/MSY/21/MTT/PMT

Subject: ‘‘MULTI-SPINDLE TOOLS FOR TIGHTENING M110/M80 SUPERBOLTS®’’

Dear Madam/Sir,

The ITER Organization (IO) is proceeding to a Market Survey with companies having the knowledge and capacity to carry out the supply of a multi-spindle tools for tightening M110/M80 superbolts® for ITER Toroidal Field Pre-Compression Ring installation.

I am pleased to inform you that your company, institution or other entity has been identified as having the knowledge and capacity of providing such support for part or totality of the project:

‘‘MULTI-SPINDLE TOOLS FOR TIGHTENING M110/M80 SUPERBOLTS®’’

Please note that this is not a Call for Nomination. At the moment IO is preparing a contract and procurement strategy for this IO procurement action.

You will find enclosed a description of the planned procurement ref. ITER-D-54TUDA version v1.1 dated 07 June 2021.

The ITER Organization invites you to participate to this Market Survey. Should you wish to participate, please provide us with all information as required into the enclosed ‘‘Technical Questionnaire’’.

Please return a completed questionnaire, **no later than Monday 21 June 2021**, to the following email address philippe.mousset@iter.org .

Thanks in advance for your co-operation.
Yours faithfully,

Christophe Dorschner
Head of Procurement and Contracts Division
