

To: potential Candidates

Date: 3 September 2021

Ref: IO/MSY/21/PPD/LLU

Subject: Letter of Invitation for the Market Survey on “Thermal and radiation hardness adaptation, supply and qualification of Port Plug accelerometers”

Dear Madam/Sir,

The ITER Organization launches a Market Survey and requests information from companies having the interest, knowledge and capacity to carry out the work below:

**Thermal and radiation hardness adaptation, supply and qualification of
Port Plug accelerometers**

The main purpose of this Market Survey is for the IO to evaluate the market situation and identify more candidate suppliers having the potential capabilities to respond the IO solicitation.

china

eu

Please note that this is not a Call for Nomination.

india

japan

With this letter, we invite all potential companies, institutions or entities from ITER Member States to participate to this Market Survey.

korea

russia

We also kindly invite the Domestic Agencies to publish this Market Survey on their respective DA website or through other advertising methods, which will help to retrieve the requested information from a maximum of potential candidates.

usa

You will find enclosed a questionnaire (Annex I) and a technical description (Annex II) and we highly appreciate it if you could answer to the questions and return a completed questionnaire (Annex I) to the email address Lijun.Liu@iter.org and copy to Chloe.Perret@iter.org **no later than 15 September 2021**

Thanks in advance for your co-operation.

Yours faithfully,

Christophe Dorschner
Head of Procurement and Contracts Division
