

To: potential Candidates

Date: 6 January 2021

Ref: IO/MSY/21/OPD/VML

Subject: Letter of Invitation for the Market Survey on “Supply of electricity via the 400kV RTE network and role of Balance Responsible Entity (BRE)”

Dear Madam/Sir,

The ITER Organization launches a Market Survey and requests information from companies having the interest, knowledge and capacity to carry out the work below:

Supply of electricity via the 400kV RTE network and role of Balance Responsible Entity (BRE)

The main purpose of this Market Survey is for the IO to evaluate the market situation and identify more candidate suppliers having the potential capabilities to respond the IO solicitation.

china

eu

Please note that this is not a Call for Nomination.

india

japan

With this letter, we invite all potential companies, institutions or entities from ITER Member States to participate to this Market Survey.

korea

russia

usa

We also kindly invite the Domestic Agencies to publish this Market Survey on their respective DA website or through other advertising methods, which will help to retrieve the requested information from a maximum of potential candidates.

You will find enclosed a questionnaire (Annex I) and a technical description (Annex II) and we highly appreciate it if you could answer to the questions and return a completed questionnaire (Annex I) to the email address Virginie.Michel@iter.org **no later than 21 January 2022**.

Thanks in advance for your co-operation.

Yours faithfully,

Christophe Dorschner
Head of Procurement and Contracts Division
